Are you passionate about cybersecurity and eager to make a difference in our community? The Rochester Security Summit is gearing up for another exciting year — and we'd love your help to make it a success!

This year is extra special — the Rochester Security Summit is celebrating its **20th anniversary**! We're gearing up for an unforgettable event, and we'd love your help to make it a success.

Why Volunteer?

- Build new skills and experience in event planning and community engagement

- Network with security pros, speakers, and industry leaders

- Contribute to a premier regional event during National Cybersecurity Awareness Month

- Have fun and be part of an enthusiastic, supportive volunteer team!

Who We're Looking For:

No experience required! Whether you're into logistics, communications, tech support, or just ready to pitch in wherever needed, there's a role for you.

Time Commitment:

- Meetings every other Wednesday (Feb/March–October/Nov, via Zoom)

- Event setup the night before and staffing during the conference

- Flexible tasks you can do asynchronously on your own schedule

- Committees hold additional meetings and check-ins to coordinate tasks.

Ready to Join?

Find our quick interest form at https://www.rochestersecurity.org/volunteering or email us at volunteer@rochestersecurity.org

Questions? Feel free to ask — we're here to help you find a spot that fits your interests and availability.

We hope to welcome you to our team soon!
